

Have you registered to vote?

To vote in the General Election on 7 October 2020, you must be registered on the Electoral Roll by 21 August.

This is a brand new Electoral Roll that was opened on 2 December 2019 for the 2020 Election. If you have registered since then, you will still be registered. If you can't remember if you've signed up please get in touch.

The quickest way to register is online at www.election2020.gg where you can also opt for a postal vote. Alternatively you can contact the Election 2020 Office on **01481 747579** or email elections@gov.gg and we will send you a paper registration form.

Registration will close on 21 August 2020 so don't miss your chance to vote.

Why not switch to a postal vote?

If you have already registered to vote you can still opt for a postal vote until 25 September online at www.election2020.gg or by calling the elections team on 01481 747579.

Choosing a postal vote is an easier and more convenient way of voting. You can take as much time as you want to fill in the ballot paper from the comfort of your home, and you can safely return your vote in the post.

The closing date for postal vote applications is 25 September 2020, but you must already be on the Electoral Roll by 21 August.
